Monica added to the CCTV project-spoken to ^{AL}AL Pichardo and will put group together. He can train them just needs us to tell them what we need. A collection of students to create these videos so that we can have videos to do it. We can set up a meeting with Mr .Pichardo to create a plan for the fall. Start a meeting in September to get project started. Monica just needs to request from his team. Student recruitment would be more challenging.

Location of taping may be better at City Hall. Kirk added that we could benefit from sending out via newsletter and emails. Michael would added that he can assist with the project if you go to the residents. Need releases for use of photos. Gina Maggio in Recreation has a good list of active residents that may be able to contribute. Michael stated he can do outreach and can be the contact person. Having flyers sent out with a catchy line to entice residents to participate. Monica added that if we can have the commission present the information at the meetings. Jeremy added that Senior Advisory and Planning & Zoning Boards could also spread the word and help create awareness. Michael can include them in the weekly newsletters. Kirk added that it would be beneficial to ask Commissioners to provide a few names of long-term residents. Michael added the idea of speaking about the idea at the Commission meeting and we should request to be on the Agenda so that feedback can be provided and it can be provided in the minutes.

*Chun would have to reach out to the City Clerk's office to request being on the agenda and Monica has offered to present at the Commission meeting.

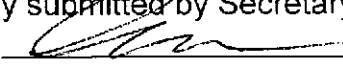

Social Media Manager/Historian individual-Chun proposed the idea of a student taking this role. Kirk stated concerns regarding the longevity of a student. Document path of making this history museum. Maribel mentioned that an adult team may be better than students due to variability in student schedules. Kirk mentioned that there are a lot of layers to the project that may be challenging. We need to have the information fed the city. Monica suggested that we start small and get the information in the newsletter and in the fall we can begin the plan of recruitment of students for recording of interviews. Monica is the liaison for the Key Club and can facilitate.
