

Wheelabrator South Broward HHW and Bulk Waste Collection

Acceptable/Unacceptable Household Hazardous Wastes

The following is a partial list of household hazardous waste with their corresponding characteristics. These wastes will be accepted at the collection Program site.

Corrosive (acids)

Muriatic acid
Boric acid
Copper cleaner
Phosphoric acid
Hydrochloric acid
Toilet bowl cleaner
Battery acid
Liquid Iron

Corrosive (bases)

Ammonia based cleaners
Caustic soda
Lye
Drain cleaners
Oven cleaner (non aerosol)
Ferric Chloride

Flammable and Combustible

Alcohols
Creosote
Fiberglass resin (unsolidified)
Formaldehyde
Diesel fuel
Floor/furniture polish
Kerosene
Lacquer paint (unsolidified)
Lighter fluid
Methanol
Neats foot oil
Paraffin oil
Rug/Upholstery cleaner
Motor oil
Transmission fluid
Toluene
Varnish
Spot remover
Shellacs

Adhesives
Benzene
Ethanol
Fingernail polish
Glues
Enamel/oil base paint
Gasoline
Lacquer thinner
Liquid sandpaper
Linseed Oil
Naphtha
Paint thinner
Power steering fluid
Tung oil
Aerosols
Turpentine
Xylene/Xyol
Paint solvents
Petroleum distillates
Polyurethane cement
(unsolidified)

Oxidizers

Chlorine bleach
Hair coloring
Iodine
Ammonia nitrate (fertilizer)
Calcium hypochlorite
Hydrogen Peroxide
Fluorine

Hair dye
Hydrogen peroxide
Sodium Hypochlorite
Nitric acid
Potassium permanganate
Hydrochloric acid

Poisons

Ant and roach killer
Chlordane
DDT
Dursban
Flea spray/powder
Malathion
Plant food
Pyrethrums
Roundup
Snail/slug killer
Weed and grass killer

Anti-freeze
Silvex
Diazione
Ethylene glycol
Lindane
Pentachlorophenol
Pruning paint
Rose dust
Sevin
Tree root/stump killer
Windshield wiper fluid

Heavy Metals

Arsenic
Copper Sulfate
Lead Compounds

Chromium
Lead Arsenate
Mercury

Unacceptable Materials

Ammunition
Highly Reactive Material
Dioxins
55 gallon drums
Excess/Auctioned
materials(NASA/PAFB)

Radioactive Material
Explosives
Biomedical Wastes
Fire Extinguishers

*** Fireworks / Flares or ammunition are not accepted from homeowners. No commercial fireworks will be accepted.**

Acceptable/Unacceptable Electronic Wastes for Recycling

The following is a partial list of electronics wastes that will be accepted at the collection Program site.

ACCEPTABLE ELECTRONICS WASTE

Mailroom Equipment	Copy Machines
Main Frame Computers	Desktop Computers
Multi-Function Printer	Dot Matrix Printers
PDA's	DVD Players
Peripherals (Keyboards, Mice, Adapters, Misc.)	Electronic Telephones
Plasma Flat TVs	Electronic Testing Equipment
Portable Consumer Electronics (MP3, Audio/Video, Games)	Fax Machines
Power Supply Units	Firewalls
Printed Circuit Boards	Hand Held Computers
Radios	Hard Drives
Scanners	Laptop Batteries
Stereo Components	Laptops
Switches/Routers/Hubs	Laser Printers
Tape Players/Recorders	LCD Computer Monitors
Telecommunications Equipment	LCD Flat Panel TVs
Tube (CRT) Monitors	
Tube (CRT) TVs	
Uninterruptable Power Supply (UPS)	
UPS Batteries	
VCRs	
Video Cassette Players (VHS, BETA)	
Answering Machines	
Cellular Phones	
Compact Disc Players/CDRW	
Computer peripherals	
Computer Servers	
Connectors and Cables	

UNACCEPTABLE ELECTRONICS WASTE

Batteries (Alkaline, Lithium)
Business-Generated Waste
Government-Generated Waste
Magnetic Media (Tape, DAT, CD/DVDs)

Special Wastes – Bulk Wastes, Yard Wastes, and White Goods

The following is a partial list of special wastes that will be accepted at the collection Program site.

UNACCEPTABLE WASTE

Regular Garbage
Biohazardous Waste
Dead Animals
Radioactive Materials
Asbestos-containing materials
Business-Generated waste (such as residential construction/ cleanup debris and materials by contractor)
