All the boards are invited to the Appreciation Dinner on May 31st, 6:00 - 8:00 p.m. It was discussed that the board is chipping in \$10. each, for a gift for Dolores & Ida Pementa for serving on the board for all these years.

Gina went over the sample give-a-ways, tape measure, cork, glasses cloth cleaner and power clip, and we all decided on the "power clip". We all decided that they can be given out at either the Table Games Kick Off or the Senior Expo in 2023. It will come out of our remaining budget for 2022. Heidi made a motion to approve it and Marc seconds it.

By keeping the city's history alive, the city is asking residents if they have any historic photographs or vintage postcards & stories.

Marc had the idea of creating a food pantry sponsored by the board. We discussed in detail and will continue to discuss.

The board decided to take off during the months of June, July & August. The next meeting would be September 14th.
