We saw Gina's spreadsheet on the results of the Expo, but we're waiting to get a better list that we can easily read. We were able to get somewhat of an idea of what people want. Much of it we are already doing. (exercise, movies, painting, walking and games.) Some people were interested in cooking, coin collecting, race walking and ceramics.

Heidi talked about the Pembroke Pines theater and getting a group together to see a show and dinner. Gina said she'd look into it. Dates of shows and costs.

No summer meetings in June, July or August.
Next meeting September 14, 2022 at 6:00.
Marc made the motion to adjourn at 7:01 and Heidi second it.
