We discussed our vacancies and not having a quorum for a meeting tonight.

Minutes from the last meeting (May, 2023) were approved as written by David Duda and seconded by Marc Federici.

Community Updates-

Discussed summer events, indoor games, summer music jams. Table games has taken off.

Discussed upcoming events- Health and Wellness Expo January 6. Getting approval for Bingo and including it in the monthly birthday breakfast, hopefully sponsored.  
Octoberfest lunch bunch, maybe Wunderbar.

Discussed again the overnight trip event. Gina is going to ask Joanne Scott if she can come to the next Virtual Travel event Sept 25 and present it to the group.

Fairchild Tropical Gardens in November and holiday theme luncheon at the end of December. Lauderdale Performing Arts Center has 2 shows coming up after the first of the year, A Chorus Line and Memphis. Pembroke Pines Theater has 12 Angry Men coming up in October. Cooper City has a Real Time Crime Center and we may get a tour as a group.

Senior Expo coming February 3, we will need to start soliciting businesses and getting donations. Open Enrollment for Medicare Advantage plans starts soon and there will be a lot of presentations and activities from sponsors like Elite Health and AARP.

Discussed a walk in the memorial park after the Christmas lights are up in December.

Marty Duda discussed a FAU nursing project being run by Kelly Jackson, APRN. She is at the Davie campus on Fridays and Saturdays.. Marty and Dave are looking into it and will report back. It's not like AARP safe driving program. Elite Health is now presenting that monthly.
