ACTIVE ADULT PROGRAMS

Crafting & Quilling

**MONDAYS AT 10:00 AM
COMMUNITY CENTER - 9000 SW 50 PLACE**

Join us for this creative and delicate art of paper crafting. Everything from hand-made cards, ornaments and gift card holders. Quilling involves taking long, thin strips of paper and coiling, looping, and folding them into different shapes and designs. These can then be glued down on paper to create 3D art, to add decorative patterns to items like boxes or frames, or to bring to life plenty of other creative projects.

Limited supplies available, first-come first serve. Quilling kits & supplies are available online, & in-store at Amazon, Hobby Lobby, Michael's & Joann Fabrics.
